Date: 26.11.2024

Employee: Buzabrici-Filipescu Robert

Manager: Podea Monica

Department: Embedded

Project(s): Renault EZ1

Dear Robert,

this letter provides you with further information on the approach to performance measurement, and on the structure of your performance bonus.

Achievement of KPIs and Payout are linear, as described below:

Payout	Bonus			
0%	+0%	100%	150%	200%
<75%	75%	100%	125%	>125%

Definition of KPIs:**KPI 1: Continuity on project**

- Weight: 30%
- Target: Number of months on the project. 12 months represent 100% achievement of the target, 6 months represent 50% achievement

KPI 2: Utilization rate 2024

- Weight: 30%
- Target: Utilization rate must be > 90%, which translates into 1568 billable hours for period Jan-Dec 2024. If below, target is failed.

KPI 3: Customer feedback

- Weight: 40%
- Target: Good customer feedback

Brutto Base for 100% achievement: 8500 RON

Yours sincerely

Podea Monica Cristina
